CAROL SERVICED

Dear *Mayfair*,

I answered a contact ad a few months ago from someone who described herself like this: 'Older woman seeking men for daytime fun. Husband approves.' Since I've always had a thing for the more mature ladies (so long as they're in good nick, of course!) I thought I'd reply. And since I'm always shit scared of someone's husband barging in on his sex-mad old lady and beating the crap out of whichever poor bloke happens to be rogering her, the 'husband approves' bit really did make my mind up for me.

I put pen to paper and got a reply very quickly from a woman called Carol, who from the look of her rude and nude photo, was well tasty. She was 35, five foot eight with blonde hair, nice tits and a clean-shaven pussy. We spoke on the phone and just two days later I was knocking on the door of her house in the suburbs of Bedford.

"Hello Gary," she said after answering the door. She was wearing a nice, sexy dress that left just enough to the imagination while still making you think this woman was well up for a shag. "Do come in." I was quite surprised by how posh she sounded, almost formal. "Why don't you make yourself comfortable in the lounge?" she said, disappearing up the stairs. "Won't be a moment."

I sat on the sofa, my cock twitching in my pants at the thought of what was

"CAROL TOOK MY DICK FROM HER MOUTH AND SUGGESTED WE GO UPSTAIRS WHERE IT WAS MORE COMFORTABLE."

to come. Within what felt like just a few seconds Carol was back - minus the dress! She was wearing the full tackle underneath: stockings, suspenders and high heels and she looked great. Her body was firm and I could already see from a slight moistening around her crotch that she was more than ready to fuck.

Wasting no time she knelt down in front of me, pushed my legs apart and released my cock from my pants. Fuck

MAYE POLE

Dear *Mayfair*,

I've been wondering when (indeed, if!) you were next going to feature the girl I consider to be the finest, most statuesque model to have hailed from these isles for a generation, and at long last - in 51.13, you did. I'm referring, of course, to Dani Maye, a girl I've been lucky enough to see in the flesh once or twice, and she never fails to take my breath away! She was looking, if possible, lovelier than ever in this shoot - possibly the white background serving to emphasize just what a magnificent specimen she is, with no need whatsoever from adornments and props! I know she's on the tall side, and that upshot of her, looking down at us as we hover by her delicious pussy, is one of my favourite shots of the year. I envy any guy who, lying on a bed with his stiff pole to the ready, ever gets to see Dani looming above him like that in real life! Please pass on my warmest regards to the girl herself!

Martin, Bideford.

me, it was hard as nails, ready for some serious action! She took my prick between her lips and deep into her mouth. I lay back

sliding a finger inside. I wanted to see if she was up for a bit of anal and was pleased when she moaned ever so slightly. Her arse

into the sofa and enjoyed the sensation of this sexy older woman face-fucking my cock.

Carefully making sure that I wasn't about to shoot my load, Carol took my dick from her mouth and suggested we should go upstairs where it was more comfortable. "After you," I said, trying to sound as polite as her. What I really meant was that I couldn't wait to see her lovely arse wiggling up the stairs. And man, did it wiggle!

In the bedroom things really started to get interesting. She stood in front of me, pulled me towards her and kissed me hard. I laid her back on the bed, then began licking her clit while playing with her wet pussy lips. I kept teasing her by running my fingers around the rim of her arse before slowly

HOWE LOVELY!

Dear *Mayfair*,

Hats off to *Mayfair* for your recent shoot with the delectable Melissa Howe. I've seen her in the papers a bit, but those pics of yours were something else! OK, so they were pretty soft compared to some of the girls you feature, but I think there's no harm in having a nice mix of styles, and with

plenty of other girls in the issue putting it all on show, I for one reckon I'm more than getting my money's worth! Looking forward to seeing her sister Carla's appearance before too long; please don't make us wait too long though, will you!?

Gavin, Swansea.

tightened as my finger slid in, then relaxed as I drew it out again. It didn't seem too long before Carol's whole body tensed and she shuddered to a climax.

"I've never done that before," she gasped when she'd pulled herself together again. "But you liked it, didn't you?" I said. I turned her onto her knees, pointed her arse up in the air and aimed my bobbing helmet towards her lovely rear. I gently pressed the tip of my cock into her and found that she was so relaxed I was hilt-deep in seconds. I began to slide in and out, slowly at first, then faster as Carol really got into it. She wasn't in any pain because she started talking to me. "Harder. Faster. Fuck me in the arse. Deep in the arse." She moved one hand between her legs, keeping herself steady with the other one, and started to play with her clit. Well that was it. I shot a great thick wad of come deep inside her, then collapsed on top of her, exhausted, with my cock still buried in that lovely arse of hers.

"Nice one mate," said a voice coming from the door to the bedroom. I spun around, I suspect with a look of absolute terror on my face. Carol must have noticed. "Oh, don't worry about him," she laughed. "This is my husband Andy. There's nothing he likes better than someone giving me a good, hard seeing-to." "And then joining in," laughed Andy. "In the arse, eh?" he grinned. "That's new. Don't mind if I do."

He slipped his cock out of his pants ready for action. "OK," said Carol. "But I have to give Gary head while you're doing me. His cock tastes so nice."

So there we were, Carol giving me head while Alan enjoyed a part of his missus that he'd never experienced before. Weird, but a lot of fun all the same!

When we parted at the end of the afternoon I felt not only like I'd shot half a mile of spunk, but that I'd also done the happy couple a favour by introducing them to a new twist in their sex life. What a warm-hearted guy I am, eh?

Gary, Dunstable.

YOU BOOTY!

Dear *Mayfair*,

I was always under the impression that the term 'booty call' referred to a man ringing a woman up for a quickie – not the other way round. But I've come to realise that all Tonya, a girl I've been seeing, does is booty call me. We rarely see each other outside her place or mine, and have only met up once to do anything but fuck. Still, I'm certainly not complaining!

We met in a club on a drunken Friday night out. She caught my eye early on, but I didn't have enough Dutch courage in me to approach her, so I concentrated on having a laugh with my mates instead.

It wasn't until a few hours – and plenty of shots – later, that I encountered her properly. I was on the dancefloor throwing some shapes, as they say, when I felt a pair of hands on my hips. I spun around, only to find Tonya grinning up at me. She was stunning: a good foot shorter than me with cropped, jet black hair and piercing green eyes. She wasted no time in grinding up against me with a confidence I found almost intimidating. I did say almost! I wasn't used to such forwardness in a bird, but wasn't complaining as she pressed her body against mine, her arm round my waist, squeezing my butt cheek. Bloody hell, if I hadn't been so drunk I might've felt like a piece of meat!

I reciprocated, grabbing her arse through her flimsy dress, pulling her closer as she nuzzled into my chest. It was such a hot display, I hoped the guys were watching – they definitely wouldn't believe my luck!

We danced like that for a while, Tonya turning me on as she rubbed against me, until she threw her arms around my neck, yanking my head down to her level and yelled in my ear, "D'you wanna get outta here?"

Talk about music to my frickin' ears! I nodded dumbly and she grabbed my hand and led me towards the

Were you getting a bit twitchy? A whole three issues in to this year's volume before we hooked up with one of our all time fave babes – honestly, what were we thinking of? Then again, perhaps it is possible to have too much of a good thing...

"Hmm, maybe you're right," admits the girl herself. "I love Creme Eggs, but I'm glad they're only on sale for a certain time of the year otherwise I'd be scoffing them all the time! As it is, I allow myself two a week until Easter's over, and then that's it!"

Very sensible – although it's be a real waste if you limited your other loves to just twice a week."

"Ah, there's no chance of that!"

cloakroom. While we waited for the girl to find our coats, I moved in for a kiss. Tonya wasn't shy, shoving her tongue so far down my throat I got instantly hard. She giggled, pushing her stomach against the bulge in

the time we reached Tonya's front door, my hard-on was aching and I'd dipped my fingers into her sopping snatch more than a few times. In other words, I was desperate to get my end away!

As soon as the door slammed behind us, we became like animals; clawing at each

to my ankles in one fell swoop, turned me on more than anything ever has before. Straddling me, she kissed me deeply, her pussy juices smearing all over my tool as she rubbed herself up and down against my crotch. I reached up to grab her tits, which were now pouring out of her lacy bra, her dress discarded somewhere between here and the front door. She was quicker than me, however, and pushed my arms by my side, trapping them with her knees.

Kissing her way down my chest and stomach, she stopped short at my pubes and instead drew her long nails up my shaft, scratching the skin lightly. I gulped at the sensation as my cock throbbed under her touch. Then, she opened her mouth and swallowed my entire length in one go. I mean, the woman completely devoured me. Down to my balls. I gasped as she deepthroated me for a short time, cupping my bollocks as she gagged on my dick. I grabbed some hair at the back of her head and forced her down further, only releasing her when she squeezed my nads harder – a sure sign she'd had enough.

This was obviously the treatment she

“SHE KISSED ME DEEPLY, HER JUICES SMEARING ALL OVER MY TOOL AS SHE RUBBED HERSELF AGAINST MY CROTCH.”

was after, because as soon as I let go, she pulled away and threw herself back on the bed, spread her legs and squealed, “Fuck me!”

I didn't need telling twice and, pushing roughly between her parted thighs, I was on top of her. Without any foreplay or thought, I rammed my aching cock deep inside her cunt, enjoying the way my full balls slipped against her arse. She wrapped her legs around my back, pulling me in as I started slamming into her hard. Her nails raked my back and she bit my chest as I shagged her as powerfully as I could.

“Come on,” she screamed. “I told you to fuck me!” I took this as a dare and I went at her like a savage, thrusting into her as hard and fast as I could, my hands groping her breasts roughly as she thrust her hips upwards to meet my strokes and began moaning loudly.

I fucked her and fucked her, pumping her until my back was aching. Then she screamed out, her legs gripping my waist as she came, her pussy muscles clamping tightly around my dick, as she again bit down gently on my shoulder. That did it for me and after two more thrusts I came, jets of hot, thick jizz flooding her snatch into; at long last I was spent.

We've met up a number of times since then, but always on her terms, and always for a fuck. I'm more than happy to be at her beck and call as the sex is so damned good, but six months on I'm starting to wonder if being a 'booty call' is all it's cracked up to be...

Alex, Cheshire

RED ALERT!

Dear Mayfair,

What a welcome addition to the Mayfair stable Roxi Keogh is! You don't need to tell us she's a head-turner, we can see it all too clearly for ourselves, thank you very much! Blimey, if I was walking down the street and someone as eye-catching as Roxi walked past, I think I'd be distracted for the rest of the day! As it is, having her in Mayfair, which I can thumb through at my leisure in the comfort of my own home, provides the perfect way to relax at the end of the day... if you know what I mean! I can't wait to see what other treats you might have in store for us in 2017. Keep it up, I know Roxi and her ilk have certainly helped me do just that in 2016! Jason, Warrington.

We went back to her place as it was closer, and as we walked the mile or so, I found I couldn't keep my hands off the little minx. The journey took half an hour longer than it should have, as we kept stopping to have a snog and a fondle in doorways, against walls and on a couple of walls. By

From an opening set that saw Bexie in sox, we now turn to the delicious sight of Lexi in, er, sox! Hmm, I don't think we're going to be able to continue that sort of rhyming pattern throughout the entire issue, so let's lay it to rest right now. And talking of things we'd like to lay, Lexi here seems to be looking hotter than ever, doesn't she? Has she been working out or something?

"As a matter of fact I have been trying to tone up my bum a bit. What do you think?"

Very nice! What technique do you use for that?

"I find slamming it back against a big cock works pretty well!"

A blind guy walks into a restaurant and sits down. The owner walks over and hands him a menu.
"I can't read that, I'm blind," says the blind man. "But just bring me a dirty fork."

man comes back. The owner doesn't recognise him and brings a menu over again. "Don't you remember me?" says the blind man. The owner apologises profusely and goes off to get a dirty fork for the blind guy.

"Beef Wellington," says the blind man. "Ideal." The owner goes back to Mary and says. "I don't believe this guy can really tell what people have been eating just by smelling the fork. I think he's bullshitting me."

Another couple of weeks go by before the blind man comes back again. This time the owner is ready for him. He says to his wife, "Here, Mary. Rub this fork on your pussy and we'll see if this guy is bullshitting us."

When the blind man has sat down the owner walks over to him and says. "Hello Sir. I remembered this time. Here's your fork." The blind man puts the fork up to his nose and inhales deeply.

"Bloody hell," he says. "I didn't know Mary was working here!"

"Would you mind if I tried to kiss you goodnight, Linda?"

"I'll have a smell of what the person who used it was eating and I'll have that." The owner is a bit confused, but does what he's asked. The blind man takes the fork, puts it to his nose and breathes.

"Pork chops and mashed potatoes," he says. "Yes, that's what I'll have." The owner is amazed, but goes to the kitchen and tells his wife Mary what's been ordered. She sets to work cooking his meal.

A couple of weeks later the blind

A bloke is going to bed one night and opens his son's bedroom door to check on him. His son is having a terrible nightmare. The father wakes him up, tells him there's nothing to worry about and asks if he's OK.

"I'm scared," he says. "I dreamt that Uncle John had died." The dad tells him not to worry and that Uncle John is fine. The next day Uncle John keels over and dies.

A few nights later the man again hears his son having another nightmare. He goes into his room and wakes him up. "I dreamt that Nanny died," says the boy. The dad tells his son that Nanny is fine and gets him back off to sleep. The next morning Nanny dies.

A week or so later the father hears his son having yet another nightmare. When he wakes him up this time the son is inconsolable. "I dreamt that you died, dad," he sobs. The man doesn't want to frighten his son, tells him that he feels fine and manages to get him to sleep again. Of course the man is terrified and can't sleep, then gets up for work the next morning believing that this will be his last day on earth. He drives really carefully to make sure he doesn't get killed. He can't concentrate on anything and jumps whenever he hears the slightest sound. All in all it's a shocking day.

He finally makes it home in one piece, but looks terrible. "You wouldn't believe the day I've had," he tells his wife shakily. "Well if you think your day was bad," says his wife. "Just think of the poor milkman. He dropped dead on the doorstep this morning."

M

A little boy goes on holiday with his naturist parents and ends up on a nudist beach one day. The dad decides to go for a stroll and the little boy runs off to play in the water. Soon he comes running back to his mum and says, "Mum. I saw some ladies and they had much bigger boobies than you."

"Well remember this," said his mum. "The bigger they are the dumber they are."

Off he goes back to play. A few minutes later the boy comes running back up and says, "Mum. I saw men with winkies that were much better than Dad's."

His mum smiles. "Remember, son. The bigger they are, the dumber they are."

He goes back to playing again. Half an hour passes by and once again the boy comes running up to his mum. "I just saw dad talking to the dumbest woman I've ever seen and the more he talked to her, the dumber he got!"

M

A little lad is helping his grandad rake leaves in the back garden. The little boy comes across a worm trying to dig itself back into a hole in the ground.

"Grandad, I bet you five pounds I can put that worm back in the hole," says the boy. The old man smiles. "I'll bet you five pounds you can't. That worm is much too wriggly to put back."

The little boy runs off into the house and comes back out with a can of hairspray. He sprays the worm until it's stiff, then pokes it back down the hole.

The grandad admits defeat, gives him the fiver, then goes inside. He's back 30 mins later and gives the boy another £5. The little boy says "But you've already given me £5 for the bet Grandad." "I know," says the old man. "This is from your grandma."

Rather like London buses (don't suppose they have buses anywhere else now, do they?) when one *Mayfair* newbie comes along, there's often another one hot on its tail – at least that's the case here, with sizzling Amanda pulling off quite the double whammy after Yasmin just a few pages back. And when we say 'hot on the tail', that's a pretty hot tail Amanda's boasting and no mistake! And when we say 'pulling off'... ahem, well, you get the idea!

When we last got to feast our eyes on the scrumptious Preeti she was snuggling up rather closely with her (obviously!) just as sexy twin sister Priya, but this time we've managed to get her on her own...

"Yes, well we might have a lot of things in common, but you'll probably be relieved to hear we don't do everything together!" she smiles, wickedly. "After all, sometimes it's better to have 100% of a man's attention focussed just on you!"

You've certainly got that, Preeti!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

In the summer, after I left sixth form, I got myself my first job in a pub in Exeter city centre. I've been really lucky to keep working there, despite the summer trade quieting down and the place becoming less busy - and all the other summer staff being laid off. I think this has mainly been because I've been sleeping

the beginning of the second week, I had no doubts at all that he fancied me - especially when he asked me to work a few hours overtime on the Tuesday, to help him 'tidy up' at the end of a long day. I jumped at the chance, both to get a bit of extra cash in my pocket, but also to spend a bit of time alone with Jay.

I was slightly disappointed when it transpired that Jay had things to sort out in the back office and he asked me to clean up the bar area and dining room. I scolded myself for being such an idiot thinking that Jay had only asked me to stay behind to try it on with me, when it was now obvious that my overtime was to actually do some work! Still, I commiserated, just think of that extra money!

Getting stuck in to the job at hand behind the bar, figuring that the quicker I got it done, the quicker I could go home, I didn't hear Jay approach.

I was loading glasses into the dishwasher when Jay came over,

supposedly to oversee my work. Our hands touched as he put a couple of empties in and when I looked up at him our eyes locked. In that instant we understood each other's needs. When he stepped back from me, grinning, and I saw the bulge in his jeans, all I could think of was his obviously formidable size, and the warm damp patch

between my thighs.

Maintaining eye contact, there was no need for talking, and he leant in towards me and planted a tender kiss on my lips. I kissed him back, closing my eyes as he wrapped his arms around me and embraced me, kissing me deeper and pushing his tongue into my mouth. My heart fluttered, which was like pressing a button, and my clit throbbed. Sliding my hand down, I touched his bulging erection through his jeans. He sighed and pushed his crotch forward, encouraging me to stroke him through the material. I did, feeling the outline of his hard dick as his hands wandered over my petite frame, pausing to grope my bum.

I felt strange being seduced in the middle of the pub, even if it was after opening hours, but I felt a huge build up of sexual tension throbbing in my damp pussy. I shivered with pleasure as Jay pulled me tighter to him, flattening my breasts against his hard chest as his mouth ground

down on mine, snogging me passionately. Bending down, he slipped a hand behind my knees and lifted me up in his strong arms, sitting me up on the bar and manoeuvring himself so he was standing between my parted legs.

Hitching my dress up, he quickly pulled his T-shirt over his head and unbuckled his jeans, pushing them down so they were around the top of his thighs.

His cock was magnificent, rearing up from a nest of curling black pubes. It was an absolute whopper and my mouth watered as I thought how wonderful it would feel plunging inside me.

Jay's hands dropped to his sides and he pushed his cock towards me. I quickly reached for it and helped him put it inside my mouth. Pursing my lips, I pushed the foreskin back and ran my tongue around the deep purple tip.

He tasted rich and salty as I sucked and teased him with my tongue. His hands

cradled my head, and his fingers moved in my hair, massaging my scalp as

I took as much of his shaft as I could into my mouth. It was impossible to take his full length, so I squeezed the root of his cock while sucking on the head.

After a while, Jay grunted and, lifting me off the bar with my legs wrapped around his waist, he carried me to one of the pub sofas, where he laid me on my back and straddled me. Grasping both my wrists in

with my manager, Jay, for a few months now.

It all started in my second week. Although I had fancied Jay from the moment he interviewed me, I didn't think I stood a chance, him being seven years older than me, and being my boss. But I was sure that in that first week, he was flirting with me. At

one hand, he held my arms above my head. It was so exciting to have him handle me in this way. My heart was beating wildly and my pussy ached to feel him inside me. I could hardly wait for him to push open my legs with a knee and enter me, and I pushed my pussy towards him invitingly.

Nudging my thighs apart to expose the wet folds of my hot pussy, Jay positioned himself between my legs, pressed his rigid cock against the opening to my hole, and pushed gently inside me.

My pussy gripped around his thick shaft and I arched my back as the friction of his large cock moving deep inside me sent my pussy into spasm. His breath came faster and with each thrust his big cock created the most heavenly throbbing inside my cunt.

“JAY PRESSED HIS RIGID COCK AGAINST THE OPENING TO MY HOLE AND PUSHED INSIDE ME. MY PUSSY GRIPPED AROUND HIS SHAFT...”

Slipping a hand between my thighs, he began teasing my clit, smoothing the slippery folds of my hood back as he thumbed my tingling nub. It pulsed with pleasure and I knew that I wasn't far off climaxing.

My hips worked back and forth as I slammed my pussy into him. Jay's back stiffened and his hands moved under me. He gripped a bum cheek in each hand as he plunged his cock fully inside me. Then his body gave a mighty jerk, and he spurted his warm jism deep inside my pussy, grabbing hard onto my arse as he pumped out every last drop.

My pussy felt ready to explode, and, as I rubbed hard on my clit, Jay set off my orgasm. I screamed out loud, unable to help the noise I was making, as my pussy muscles contracted and I came really, really hard.

The chemistry between us was electric, even after we'd fucked, and although neither of us wanted a relationship – especially a workplace relationship – the attraction between us is too big to ignore. So we've been seeing each other for six months now and the sex is still as good. I just hope none of the other staff members find out...

I've been going-out with my boyfriend, Dan, for nearly five months, and recently decided that it was time to let him in on a previously secret part of my life; one that I thought I'd left behind. Although I love him to bits, I've found that I'm not quite

ready to settle down into a monogamous relationship just yet. I'm young and want a bit of variety in my sex life. I had previously found that variety through Chrissie, my best friend... via her contact with the local swinging community.

Chrissie had discovered the local swingers through a sexual dalliance she'd had with an 'older gentleman'. She had been barely able to contain her excitement as she dragged me to a converted cow shed that was affectionately known as the 'shagging shed'. A heat pump meant that it was comfortable to be naked in there at any time of year and there was no telling who you might see or what might happen with them. The first time we went, we were the youngest there by about 20 years and the only fun we had was with each other. However, subsequent trips proved more rewarding.

Chrissie was always keen to go and was even more enthusiastic when I told her that this time I was bringing along a bit of male entertainment of my own for her to share. We really hadn't been

expecting to find anyone else there on a cold, wet and windy weekend but as we pulled onto the site, there was another tent already pitched.

"I'll keep them busy – why don't the two of you go and get cleaned-up?" Chrissie winked at me knowingly. Taking advantage

of Chrissie's offer, I grabbed our showering equipment and guided Dan into the 'shagging shed'. I'd just eased my boyfriend's erection inside my pussy when there was a clatter at the door.

"You don't mind if I just..." Chrissie

she made me gasp as she grabbed hold of both cheeks of my bum.

"You two look good together... have you done this kind of thing before?" Dan asked.

"Might have done," we admitted simultaneously. We laughed and pulled

call that a 'little one'." She pulled back and I looked down, admiring every glistening inch of her firm, wet body. I watched as her hand wrapped around my boyfriend's cock. "Do you mind if I...?" I like the way she always asks my permission before fucking my boyfriends, as if I own them.

Leaving them to it, I peered through the steam and could just make-out two pink bodies. I padded over and found two nervous girls. They seemed mesmerised as I took their hands and headed back towards the sound of

slapping flesh. They looked shocked. "She said that he's your boyfriend?" one of them asked.

"He is."

"Don't you... mind that she's fucking him?" the other one asked, sounding puzzled.

"Not at all - I like watching people have sex - almost as much as I like having it." The girls looked at each other, perhaps anticipating what I wanted from them. I saw a little shrug of acceptance. They introduced themselves as Ellen and Sophie - a couple on a hiking trip. "When you say 'couple' do you mean 'lesbian'?" I asked. I caught little worried looks passing between them before they both nodded. That made things even more exciting; I squirted shower gel onto my hands and soaped their torsos. They were uncomfortable but neither protested. The tension rose as my hands moved higher and cupped their breasts but the moment passed and I was able to tease their nipples and began to think about rubbing their pussies.

announced, as she marched into the shower block and pulled at the string knot of her bikini top. She gave me a dirty little wink as her tits spilled free before disappearing round the corner. Dan's surprise broke into a huge smile. If he thought that was good, he was going to love what we had planned for him. "The water's lovely," Chrissie called-out from round the corner. "How about you two lovebirds come and join me?"

"Do you want to?" I asked, nodding my head in the direction of the showers. Dan weighed-up his options and gave a non-committed grunt.

"Come-on then," I said, pulling myself off his lovely erection and guiding him by the dick to where my friend was showering.

Chrissie was delighted to see the two of us. "Well... hello, sailor," she said, looking down at Dan's cock as her breasts bounced back into shape after her soapy hands had compressed them. I stepped into the heavy flow of water, the powerful stream massaging my scalp. It swept my hair down and glued it to my shoulders. I squeezed Chrissie's boob as I kissed her. Her hands roamed down my back and

each other closer, our breasts squashing together as we moved in for a proper snog. Dan pressed in from the side. "Have

you got room for a little one?" He asked, hopefully.

Chrissie snorted with laughter. "I'd hardly

And what she did next took me by surprise. Rather than finger my pussy, Sophie pulled me out of the shower, dropped to her knees and pushed her face between my legs. It was immediately obvious that she was something of an expert. Her tongue-work was confident and delightfully playful. The sensations were amazing as I was licked-out by the lithe, little temptress. I

loved the soft warmth of her body pressing eagerly against my leg, and the hungry urgency of her mouth as it worked my private flesh. I hate to admit it but she was much better than either Chrissie or Dan and I had to hold onto the pipework as my body responded to every majestic swirl of her tongue. I wanted to come and gently lowered my crotch

eased and I could relax against the wall.

Sophie leant against me, allowing the hot water to cascade over our bodies. "Your pussy tastes like a little bit of heaven," she said, licking her lips. Her eyes were filled with lust. "It's just so... dirty: watching someone you love fuck someone else." As we watched, Chrissie and Ellen dropped to their knees with Dan standing over them, whacking-off. He gave me the biggest grin imaginable before firing his spunk over their up-turned faces. I held Sophie tightly as her hand moved more urgently between her legs. There were those same little spasms

"THE SENSATIONS WERE AMAZING AS I WAS LICKED OUT BY THE LITHE LITTLE TEMPTRESS..."

as her body crunched-up in orgasm.

Dan couldn't help himself and spent the whole night flitting between tents. The poor thing wore himself out and had to take a couple of days off work. He told them that he'd 'done his back' but unfortunately for him, he couldn't say how...

"Very nice," Chrissie said, before launching herself at a rather surprised looking Ellen. After a few moments of watching her 'friend' being devoured by mine, Sophie turned back to me. She looked relieved as I stepped in against her and gently held her chin as I moved my lips in against hers. The effect was somewhat spoilt as Dan moved in behind me and eagerly drove his cock back into my pussy. It felt wonderful but it was a rather inopportune moment. After a short but intense shag, Dan withdrew and he spun us on the spot. Sophie's eyes grew wide as she realised what was about to happen. She lurched against me like a domino falling as Dan pushed against her and then squealed as he stabbed his cock inside her.

"Oh my God, I can't believe I let him do that!" Sophie gasped, her hand covering her mouth in genuine shock as Dan moved on round the quartet of pussies. She laughed, her face screwing-up in delight. "I mean, I don't even know his name!" Dan had done me a favour by breaking the ice with Sophie. She didn't resist as I ran my hand down her belly and explored the bushy mat of pubic hair. She sighed as my fingers investigated lower and confidently guided them to her preferred spot. I had hoped that she would reciprocate but Sophie seemed totally intent on her own pleasure. And with good reason – barely 30 seconds had passed before her body tensed and she went into full orgasmic rapture.

She came quickly and recovered quickly.

down onto Sophie's willing mouth. Her tongue responded, applying perfect pressure to my throbbing clit. The stimulation rose again as Sophie guided her fingers up my inner thigh, tickling all the way, and then pushed them firmly into my pussy. I could feel them moving, dancing inside me. The stimulation was intense and I couldn't believe the suddenness of the accompanying rush of pleasure. My orgasm had seemed so small and distant. Another snatched breath and I was engulfed by terrific spasms of ecstasy. I found myself holding Sophie's head in place until the convulsions

KATIE

Age: 22 Vital Stats: 32C-24-33 5'4"
Photographer: Dazglam

■■■■■■■■

Unless I'm very much mistaken, Katie here is our fourth debutante this issue, which has got to be something of a record, hasn't it? And while she might only be a wee slip of a 22-year-old, she's certainly not too shy and retiring when it comes to being in front of the camera – something for which we have to thank an ex-boyfriend, apparently!

“Yes, he loved taking pictures of my pussy, so I'm quite used to showing it off. I used to text him clips of me wanking sometimes as well – I think I enjoyed it even more than he did, to be honest!”

MAYFAIR Movies

Our scruff reviewer's house is ram-packed full of this stuff, but he still craves more - so we sent him these three and in return he told us what he thinks of them. So here you go...

Wicked Pictures

HIDE AND PEEP

CAST: Ashley Adams, Cherie Deville, Elsa Jean, Jojo Kiss, Juelz Ventura, Liza Rowe.

The USP here is voyeurs getting in on the action, and things kick off with a rather interesting situation. MILFy big-titter Cherie is sunbathing in the nip, and cant's resist the urge to rub on out while she's at it - but look, cute Elsa's spying on her and she's getting all aroused as well - and Markus, in turn is spying on her! That's 3 people all having a wank, but before long Markus and Elsa have hooked up and she's just giving his knob a good slurp when Cherie twigs what's going on. What follows is a cracking threesome, kicking off with the girls slurping on his pole for long enough to have most of us dropping our load there and then, but there's more to follow, and they go through just about all the moves you could think of before the horny flampers share a faceful of spoo. A cracking opener, and one you'd think they might struggle to

follow up, but tasty Juelz gives it a bloody good try, thanks to her furry snizz and accommodating bum and Ryan Ryder's plundering of them. The remaining scenes are all solid enough too, although you can't help feeling the flick peeks a bit early. Or maybe that was just me.

Private

MILF SECRETARIES

CAST: Kayla Green, Nesty, Dyana Hot, Simony Diamond, Valentina Bianco.

Covergirl Kyla Green rather caught my eye when this flick flopped onto our reviews desk, so it was a pleasant surprise to see her charms featured in the very first scene. She catches her boss having a sneaky wank in the office, but clearly isn't the sort of woman to let a good boner go to waste, and after stripping off to her undies she wraps her lips around his pole and gets stuck in. She gets a good pronging on the desk for her troubles, with both holes getting a drilling before she's treated to the sort of bonus that ends up with chin and boobs dripping in harry.

Things take a turn for the frantic in the next scene, in which Valentina has not one but two bosses to pleasure - and fair play to her, she gives it her best shot, deep-throating and DPing her way to a double facial that leaves her looking a bit dazed.

Nesty and Dyana keep things ticking over nicely enough until we get to the finale, in which a still stunning Simony Diamond proves she's still got what it takes to drain a pair of balls in very fine style indeed.

Digital Playground

STEPMOM SWAP

CAST: Katie Morgan, Aria Alexander, Parker Swayze, Julia Ann, Ariella Ferrera, Chloe Carter.

American porno producers seem to have a bit of a think about, er, stepmoms. I guess it's quite an issue in porn valley - all that fucking each other probably doesn't do much for the longevity of most marriages, even if they are fun while they last! So here we have a sort of family drama in which a succession of stepmoms fuck their stepsuns, or, indeed, stepdads get jiggy with their stepdaughters - all safe in the knowledge that everyone is not only of

legal age, but have had their medical tests done and are, moreover, seasoned porno performers of the highest order. Parker Swayze, for example, can't really act for toffee, but she

still does a grand job of portraying a loving stepmom by letting callow young Van Wyldé poke her silly on the couch after she catches him knocking one out, complete with some impressive piledriver action. No wonder his dad shackled up with her!

Fans of the legendary Julia Ann will be chuffed with the next scene, which sees her team up with cute young Aria to ride the cock of lucky Tyler, and after much toing and froing things come to a head with a very nice foursome that sees Ariella and Chloe more than earning their impressive facials. Lightweight, but fun enough.

History might have turned out quite differently if, rather of having Bob Geldoff harranguing fishermen on the Thames, the Bremain campaign had instead enlisted the services of Stella here – as voracious a flamber as you could hope to find who upped sticks from Italy a couple of years ago to come and ply her trade in Blighty! It certainly would have made for a more arresting piece of news coverage, for starters, although given Stella's habit of stripping off whenever possibly, perhaps coverage isn't quite the right word...

It's always a treat to hook up with a fresh new face – especially when the fresh new face is as lovely as the delightful Cecilia here – and even more especially when it's attached to a body as svelte and stunning as this pint-sized hottie possesses! She may have been something like minus 27 when Paul Simon claimed her namesake was breaking his heart, but we reckon she could possibly end up breaking many more!

*Connie
from the Camera Shop*

PHOTOGRAPHED BY BASIL CRAWFORD-SMITH

Camera shy is certainly not a way to describe pretty, young Connie Westwood, the cutie from behind the counter in a large photographic store. For when one of *Mayfair's* top photographers went in to buy his regular two dozen boxes of Kodachrome, and spotted Connie, he was delighted when she agreed to pose for him. 'I've always wanted to be on the other side of the lens,' she told us, 'I see so many girls posing for pictures, and I've always been convinced that I could do better.' So we let her have a go, and reckon that she was probably right. And as for the location, well, that was Connie's

idea as well. 'They had to be taken in a photographic shop, didn't they? Mind you, I have to be honest, this isn't the one I work in. It belongs to a friend of the photographer,' she admitted, though she added that it was so similar to hers in some ways that it added an extra thrill to her assignment. Connie now lives and works in London, but the 21-year-old with the 34-23-34 figure was born and brought up in Cowes on the Isle of Wight. The family house is within half a mile of the coast, and she often goes down there for a long weekend, which will include a few drinks in the *Harbour Lights*.

MAYFAIR Classic

We have no doubt whatsoever that readers back in the day (33 years ago, to be precise) were thrilled to learn that Connie here possessed a Zenith EM with an f2 lens and a spare 135mm one for zooming! Although doesn't the f number refer to the aperture rather than the focal length? Either way, didn't she look grand with those perky boobs? You don't get that sort of thing down Snappy Snaps these days!

Spending so much of her time surrounded by expensive camera equipment, Connie has, not surprisingly, become a keen photographer herself. Her own camera is a Zenith EM with an f2 lens and a spare 135mm lens for telephoto work. 'It's great for taking pictures of people when they least expect it,' she laughed. 'I once caught an old boyfriend when he was changing on the beach. I had it blown up to 12" x 10" and had put it up on my bedroom wall. All you can see is his bare bum as he bends down. I'm not the only subject to be over exposed.'

Vol.54 No.05

On Sale May 1st

There's nothing quite like writing the coming next month page to make you stop and reflect on the passing of time. As I sit here the remnants of Storm Gareth are lashing rain against the windows and we're all feeling like we've had enough of this sort of thing now, but here I am writing about next the next issue - which is going to be on sale in May! Well, there's not much you can do about the march of time other than embrace it, and so embrace it I shall - although I'd much rather be embracing some of the lovelies we've got lined up for you next month, like Natalia and Jasmine!
